A pixelated, grayscale image of a stylized letter 'S' or '3'. The image is composed of a grid of squares in various shades of gray, creating a blocky, digital appearance. The shape is a continuous, flowing curve that starts at the top right, loops around, and ends at the bottom right. The background is white.

A large, pixelated black cross centered on a white background. The cross is composed of a thick vertical bar and a thick horizontal bar that intersect at the center. The edges of the bars are slightly irregular, giving it a hand-drawn or digital-art appearance. The background is a solid, bright white.

A pixelated, black and white graphic of the text "10.01.2022" in a stylized, blocky font. The digits are composed of various shades of gray and black pixels, giving it a retro, digital appearance. The text is centered horizontally and occupies the middle portion of the image.

The image displays the word "EVO" in a highly stylized, pixelated font. The letters are composed of black and white pixels, giving it a retro, digital appearance. The 'E' is formed by a series of connected pixels, with the top and bottom horizontal bars being thicker. The 'V' is also pixelated, with a sharp point at the bottom. The 'O' is a simple circle made of pixels. The overall style is reminiscent of early computer graphics or video game titles.
